Fire-Rescue**
Standard Operating Procedures

SOG # 2.4.1.7

SECTION		SOG TITLE	
2	Routine Operations	7	Ride-A-Longs
CHAPTER		IMPLEMENTATION	REVISION
4	Public Relations	10/01/2008	N/A
PART		AUTHORIZATION	
1	Public Relations	 Geo. "Randy" Corbin, Fire Chief	

I. PURPOSE

To establish a safe and enjoyable experience for citizens who wish to “ride-out” on fire department emergency vehicles.

II. POLICY

Anyone wanting to ride-out on “ANY” City of Wylie vehicle must meet the requirements that the department has established.

III. PROCEDURE

- A. Anyone interested in riding-out must do so between the hours of 0700 to 1900 hours.
- B. With the approval of the fire chief a rider may be permitted to ride out for extended hours.
- C. All participants must complete a release of risk form before taking part in the program.
- D. The rider must be eighteen (18) years of age or older.
- E. Only exception of this age would be made for Wylie Fire Rescue Explorer program participants.
- F. The rider shall be in the seat with seat belt buckled before apparatus is moving.
- G. Rider must observe from within the apparatus unless otherwise approved by the officer-in- charge.
- H. The rider will stand by the officer at all times if allowed to get out at the scene.
- I. The rider will wear a navy blue t-shirt & dark blue jeans.
